## Mohawk™ Windshield

From \$139.95 to \$229.95

Continuing the minimalist, sporty tradition of our famous Flyscreen®, the new Mohawk™ features a taller and wider size with a special "V" profile for added wind management.

As with our Flyscreen, the versatile Mohawk is adaptable to many motorcycles.

 Product Benefits

 Quality Features

 Hardware/Materials

The **Mohawk™** has a sporty, minimalist design yet still offers good wind protection. The clean appearance is accented with your choice of chrome or black mounting hardware.

Our **Linking Arm Mounting Hardware** with countersunk screws offers a truly custom fit for any Harley® with exposed fork tubes. Our patented slotted windshield brackets are engineered for fork width adjustment from 8.5"-11.0" (21.6-28.0cm) spacing. There are few bikes that this windshield *cannot* fit.

The Mohawk is a lot of quality in a very small package.
