Cast Fender Tips and Speedo Cowls

From \$69.95 to \$174.95

This hallmark product of National Cycle (our legendary original designs patented in the 1940s) has been painstakingly refined for today's cruiser motorcycles. With our old-world casting methods, the shape and details that distinguish our Fender Tips really stand out.

You may also like our cast Speedometer Cowls. They not only add some stylish chrome to your bike, but they prevent instrument glare on your windshield when riding at night.
